- Tuesday, March 18, for freshmen and sophomores.
- All meetings start at 6 p.m. at the Idaho Rush office.

.

RESOURCES

- Player profile template is available from the CAP director.
- Sample completed player profile.

The College Advisory Program (CAP) serves the college-bound player in a number of different areas. Starting with the freshman year of high school and continuing through their senior year, this program provides information in such areas as:

- College preparation.
- College athletics.
- College contact preparation.

Phoca PDF

- College research assistance.
- Admissions counseling.
- Recruiting.
- ACT/SAT guide.

The CAP is designed to serve high school-age students and provide them with an avenue to ask questions, perform research, and provide feedback for both the academic and athletic aspects of their collegiate career. Idaho Rush accomplishes this by meeting with each team during the seasonal year to provide:

- Information on both academic and athletic endeavors.
- Discuss any questions that they players may have.
- Review any information that the players may have prepared themselves.
- Discuss any questions that the parents may have.

With the college contacts, relationships and friendships Rush Soccer has established through the years we are able to help with the initial search, selection and attendance of thousands of NCAA, NJCAA and NAIA schools.

Our support and assistance continues through the player's collegiate career. The club provides an outlet to players looking to transfer for just about any given situation. As these same players reach adulthood and look at the next steps after college, the club is there. Players seeking employment in and around the soccer community can call on Rush staff for assistance and consideration.

For questions about the College Advisory Program, contact Carlos Correa and Michael Mollay
