

Idaho Rush is proud to introduce the DREAM Club. DREAM (Devoted, Reliable, Enthusiastic, Accountable, Mentor) rewards players that have fulfilled a long-term commitment to the Idaho Rush Soccer Club and awards them a small scholarship toward their first year of college. In our fourth year of DREAM we are extremely proud to induct our largest class ever. These players not only have shown us great loyalty during the past eight years but have grown into great role models for our youth to look up to.

Members of the 2012 DREAM Club: (front row, from left) Mehmed Selimovic, Nate Hunt, Eleanor Collins, Jake Wicher; (second row, from left) Eli Szuch, Andrew Delarosa, William Moats, Kevin Fekete; (back row, from left) Lee Riley, Idaho Rush CEO; Jens Haustein, Idaho Rush associate technical director.
