State Cup daily roundup

Day 1

Friday's small batch of opening-round games yielded a mixed bag of results for the club, with both U13 geteams getting wins along with the U17 boys, but the U16 boys, U15 boys and U14 girls all starting slowly. T U13 girls each logged shutouts to put themselves in good positions to advance to the semifinals. Ric Gale's Elite team dominated Soccer Xpress 6-0 and Kenny Morrell's Premier team matched the feat with a 2-0 win over Nationals. The U17 boys earned a measure of revenge over Idaho Thunder in their 2-1 win over the P Falls team. Thunder beat Rush in PKs to advance to the State Cup finals last year after the two teams tied pool play. The U16 boys, though, were overmatched against Nationals, falling 4-0. The U14 girls also found themselves with a challenge too large against Nova, dropping their opener 7-0. The U15 boys nearly drew light before halftime but the Nationals keeper pushed a floater over the bar to keep the score at 1-0. The who came off early in the second half, though, on a penalty kick and a goal from the run of play in the first 10 minutes. The boys went on to lose 5-0.

DAY2

Two teams earned berths in the State Cup semifinals and another two kept their state title hopes alive d a day filled with cold clouds and plenty of rain. The boys U13 and U14 teams started the day right with back back wins over Twin Falls Rapids (2-1) and Nationals (1-0), respectively. The U13 win was especially import as Nationals was one of only two teams to beat Rush during the regular season. Rush will face the only oth team to beat them, Super Nova, in the semifinals. The boys U17s also nailed down a spot in the semis on t strength of a 10-0 thumping of Ballistic of Idaho Falls. They will also face local rival Super Nova in the semifinals. The U14 boys added a 8-0 win over Sandpoint Strikers later in the day to stay on track for a spot the finals. Neither U13 girls team was as lucky though, as both teams were upset in their second and final pagene. The teams had been on track to create an all-Rush final, but now must settle for consolation games. U15 girls fell to the same fate after they dropped their second game to PVSC 3-1. The U19 boys lost 2-1 to Nationals in the first leg of their two-leg final. The two teams meet again on Monday with the combined scor of the two games determining the winner. The U14 girls and U15 boys earned their first points of the tournal with a draws with Coeur d'Alene Sting (0-0) and Super Nova (1-1), respectively, while the U16 boys continuous look for a positive result after dropping their second match.

Day 3

The boys U13 will play for their first-ever State Cup championship on Monday after thumping Nova 5-0 in their semifinal Sunday afternoon. The boys will face cross-state rival PVSC of Pocatello at noon on Simplot in the final. The win was one of the few bright spots on Sunday as the U17 boys lost their semifinal 1-0 to Sandpoint Strikers and the U14 boys lost a de facto semifinal game against Nationals 6-1 to miss an oppor to play in the final for the second straight year. The consolation games were better fare for Rush as both U1 girls teams won their final game of the tournament. Nike-Premier beat Twin Falls Rapids 3-0 and Nike-Elite Fury FC 3-1. The U14 and U15 girls both also ended the tournament on a high note, with the U15s beating Nova 2-0 and the U14s beating VYSA 2-0. The U16 boys, though, remained winless after dropping their fin game 4-1 to Coeur d'Alene Sting 4-0. Along with the U13 boys, the U19 boys will have a chance to claim the fourth State Cup title of their careers when they take on Nationals in the second of their two-leg final. Nation won the first leg 2-1, which means Rush will need to win by at least two goals in Monday's game to claim the title outright. A one-goal win by Rush would send the series to extra time and a draw or a loss would land R in the runners-up position. Tomorrow's two finals games are:

- Boys U13 Nike vs. PVSC (Pocatello), 12 p.m., Simplot 12.
- Boys U19 Nike vs. Nationals, 12 p.m., Simplot 5.
