MIGHTY MITES is our response to the many parents who have asked if they can enroll their 3&4-year-olds in our U6 Recreation program. While we believe it is too early for these kids to be placed on teams and play competitively, we understand that there are many younger players who can't wait to get out and play soccer.

MIGHTY MITES bridges the gap between wanting to play but being too young to play on a team. The player has the opportunity to have at least one of his or her parents play fun activities and games together in a group environment, developing balance, coordination, kinetic awareness, and a love for the game. There are no practices, no scheduled games and no leagues in **MIGHTY MITES**.

The fall and spring **MIGHTY MITES** programs run parallel to our Recreation program. The one-hour sessions are all on Saturdays at the same game sites as the Recreation program, and parents may choose which session they attend on a drop-in basis. Players will be given a ball & T-shirt. Both players and parents should come prepared to play.

[*Game Site & Times](#)

(Subject to change due to participation numbers. For example, we may have one session at Simplot at 10:00am, as opposed to two time slots. We may also combine Lewis & Clark & Simplot at one location due to participation numbers).

(Optimist Youth Sports Complex location is for the **SPRING** seasons **ONLY** .)
